

Statement of the Representations Procedure (Regulation 24 2008)

Document Title

Joint Minerals and Waste Development Framework Core Strategy (JLDPD 101g)

Subject Matter and Area Covered by Document

The Core Strategy will provide the direction for the Joint Minerals and Waste Development Framework (JMWDF) in terms of the primary objectives that the JMWDF will be directed towards and the definition of broad locations in Berkshire for:

- the management of mineral resources, including safeguarding of aggregate deposits, the scale of supply of aggregate minerals, and how extraction areas will be identified, and
- the scale, type and distribution of waste management capacity that needs to be provided.
- The purpose of the document is to set out the vision of how waste and minerals need to be planned for in Berkshire during the period to 2026, and the objectives and policies to achieve this.

Representation Period

Between 15th September 2008 and 27th October 2008.
